Introduction

The First Presbyterian Church of Glendale (FPCG) is delighted to share with you in the joy of Christian marriage. We consider it a sacred obligation to provide you with the means and setting for your wedding service, and we will serve you with the highest standards of spiritual and professional integrity.

Your wedding ceremony is both a celebration and a service of worship within the Christian tradition. Marriage services in FPCG are conducted in accordance with standards set forth in the Book of Order of the Presbyterian Church (U.S. A.) and policy set by the governing body (Session) of this church. The Minister has the discretion of approving the wedding and the Session has the authority to approve the use of the church property.

The guidelines and policies found in this book assure the solemnity of the Service of Christian Marriage, preserve the traditions of FPCG, and protect the safety of your guests and our church facilities. We ask that you respect the church and its traditions by planning your wedding service within these guidelines.

Setting the Date

After reading these guidelines, we advise you to consult with the Minister of FPCG at least six months in advance of your intended wedding date. For non-members, we are unable to schedule weddings sooner than one year before the proposed wedding date.

After receiving the Minister's initial consent to officiate your wedding, and if both the Minister and church are available on your proposed wedding date, the next step in confirming your wedding is to submit a completed, signed Wedding Information form along with the required security deposit. *A wedding date is not confirmed or held until the signed Wedding Information form and deposit have been received and Session has approved use of the facilities.* The Minister will be in touch with you as soon as possible to confirm your wedding date.

No weddings will be scheduled in the Sanctuary on Sundays, legal holidays, during Holy Week (Palm Sunday through Easter Sunday), or the two weeks prior to Christmas.

No wedding will be scheduled to begin before 10:30AM or after 7:00PM.

Consultations with the Minister

Once your wedding date and time have been confirmed by The Minister, it is your responsibility to make an appointment with him to schedule pre-marital conference session(s). The Minister is required by denominational guidelines to meet with both of you prior to your wedding. Anything shared with him during these consultations will held in the strictest confidence. The Minister stands ready to assist you after your wedding in any way possible.

Planning your Service

When the date for your wedding is confirmed, The Minister will schedule a meeting to help you plan the service of worship and the roles of participants. Please meet with him as soon as possible.

The Minister officiates all wedding at FPCG. However, if you desire the participation of an additional clergy person or other individual at your wedding, such can be arranged. Persons assisting in the ceremony must be invited to participate by The Minister. Therefore, no person should be invited to participate until you have discussed this matter with him.

The Minister and the Altar Guild representative will assist you in planning your wedding service. Their experience with many weddings and understanding of standards within the Presbyterian Church and this congregation make them a useful resource to you and your family. Please take advantage of their help and guidance.

It is helpful to meet with the Altar Guild representative early in your planning process. The Altar Guild representative will contact you to set up a meeting. She will assist and advise you in planning the service and setting up the Sanctuary. The Altar Guild representative will also meet with your florist, photographer, videographer, and wedding coordinator for set-up on the day of your wedding. She will be present at your rehearsal and will assist the wedding party before the service.

Music

Music sets the mood for your marriage ceremony, therefore, it is important to select music that is meaningful to you and your family and is appropriate for a Christian service of worship.

Our Organist is an experienced professional and plays for all weddings. She will approve the music and musicians selected.

We suggest meeting with the Organist at least two months before your wedding. Until that meeting takes place, guest vocalists and instrumentalists should not be invited to participate. If desired, the Organist can suggest musicians for your wedding.

The church is not equipped to handle recorded music.

Flowers and Decorations

The Altar Guild representative is a resource for the type and placement of arrangements that enhance the appearance of the Sanctuary. She can also provide names of florists familiar with our Sanctuary. You may wish to discuss ideas with her while in the Sanctuary during your initial meeting and before confirming plans with your florist.

Altar flowers may be *either* a center arrangement *or* two side arrangements. Church vases should be used for these arrangements. Floral arrangements should lead the eye to the cross and be subordinate to it. Please tell your florist that the horizontal member of the cross is 36" high so that arrangements will be designed below that height.

Pew and candelabra decorations are permitted, however, only brown or black pipe cleaners can be used to fasten arrangements to the pews or pew candelabra so as not to damage either. Only pipe cleaners can be used to fasten arrangements to the standing candelabra in the chancel area.

Please note that *only fresh flowers* may be used in the Sanctuary. This includes petals a flower girl may drop. Deliveries should be scheduled no more than three hours prior to your wedding ceremony and should be confirmed with the Altar Guild representative so she can open the Sanctuary and be present to receive the flowers.

Photography/Videography

Photographs and videos enable you to re-experience a day when your memory was blurred with emotion. We will work with you to plan how your wedding will be photographed so that you have a lasting record of the ceremony.

When you discuss arrangement with your photographer or videographer, please emphasize that you expect them to comply with the church's rules and to conduct themselves with decorum appropriate for a worship service.

The following rules will be shared with them:

Your photographer/videographer must carefully observe the following guidelines:

- * The worship service begins with the musical prelude and concludes with the departure of the guests.
- * Your photographer/videographer must remain quiet and inconspicuous during the ceremony.
- * Flash photography is *not* permitted during the ceremony
 - * non-flash (available light) photography/videos may be taken from the rear of the sanctuary, behind the guests.
- * The entrance of the bridal party may be unobtrusively photographed/videoed from the floor level at the front of the Sanctuary.
- * The exit of the bridal party may be unobtrusively photographed/videoed from the rear of the Sanctuary, behind the guests.

The church will be available *three hour before* the time of your wedding ceremony and for *one hour after* the ceremony ends.

If you wish, a standard black and white bulletin can be printed in the church office. All information must be given to the church administrative assistant no later than two weeks prior to the service. *Note:* There is a \$50.00 fee for this service, in addition to your other fees.
